WILBERT GIOVANNI ARCHIE

Jakarta, Indonesia | wilbertarchiee@gmail.com | linkedin.com/in/wilbertarchie | webe.my.id

Cyber Security undergraduate at BINUS University with foundational skills in web security and secure coding from coursework and lab work. Familiar with Kali Linux, Nmap, Burp Suite, Python, PHP, and C. Seeking an internship in cyber security or a related IT field to gain hands-on experience with real-world systems.

EDUCATION

BINUS University – *Jakarta, Indonesia* 2024 – 2028 (Expected)
Bachelor of Computer Science (S.Kom), Cyber Security | GPA 3.84/4.00

ACADEMIC PROJECTS

Secure Web Application (PHP, MySQL)

- Built registration, login, and file-upload features in native PHP with PDO and MySQL.
- Mitigated SQL injection with prepared statements, XSS with output encoding, and IDOR with session-based ownership checks.
- Stored passwords as bcrypt hashes and validated uploaded files on the server side.

ORGANIZATIONAL EXPERIENCE

Cyber Security Community (CSC) – *BINUS University*
Human Capital Division Dec 2025 – Present

- Served as a Public Relations committee member and contact person for a CTF competition, handling poster publication and writing promotional captions.

Keluarga Mahasiswa Buddhis Dhammavadana (KMBD) – *BINUS University*
Activist Feb 2025 – Oct 2025

- Led the finance and fundraising division as Head Coordinator for a magazine publication project, managing incoming funds and purchases.
- Raised funds via pre-order sales and prepared the project's income and expense recaps.

SKILLS

- Programming: Python, PHP, C, HTML, SQL (MySQL)
- Tools: Kali Linux, Nmap, Burp Suite
